ADVANCE NOTIFICATION OF CARRIAGEWAY RESURFACING WORKS

Carriageway resurfacing works are due to commence on the A411 Chalk Hill. The works will be carried out between the junction of A411 Chalk Hill/Haydon Road to approximately 150m west of the A411 High Street/School Lane junction. In order to create a safe working environment for the workforce and members of the public alike, the works will be completed using a full road closure, with a fully signed diversion route. See details below for working times. The works are due to start on Tuesday 28th July and are programmed to take approximately 5 nights to complete, weather permitting.

However, if we encounter unforeseen circumstances on site, it is possible we may work outside these hours. We will aim to complete the noisiest operations such as removing the old road and jack hammering by midnight to reduce the disturbance to nearby residential properties. Other works will still continue after this.

These works form part of Hertfordshire County Councils on-going commitment to maintain and improve the road network in Hertfordshire. We will be replacing the existing worn out road and applying a high friction surface course, renewing damaged iron work covers, reinstalling the traffic signal loops, reinstalling road markings and studs and cleaning all gullies within the newly resurfaced areas.

SUMMARY OF WORKS		
Works duration	Works Description	Traffic Management
<p>Tuesday 28th July 2015</p> <p>to Tuesday 4th August 2015</p> <p>8pm-5am</p>	<p>Carriageway resurfacing.</p> <p>Minor adjustments and renewals of existing ironwork.</p> <p>Reinstallation of traffic signal loops.</p> <p>Reinstallation of road markings and studs.</p> <p>Gully cleaning.</p>	<p>Road closure during the working hours only.</p> <p>Diversion Route as stated below and shown on map overleaf.</p>
<p>The diversion routes during this closure will be:</p> <p>A411 Dalton Way / A411 Waterfields Way / A4008 Stephenson Way / A41 Elton Way / A411 Elstree Way and vice a versa.</p>		

Vehicular access to properties during the working hours will be maintained and controlled by gatemen at each end of the closure but there may be delays.

Please do not park in the works area during the publicised dates and times. If parked vehicles are holding up the works and we cannot contact the owner, we have the legal right to move and relocate them to a nearby street.

Some degree of disruption and delay can be expected as a result of these works and whilst we will make every effort to minimise these please allow extra time for any journeys you may make while these works are in progress. We greatly appreciate your patience and co-operation.

Herts County Council or their Contractors will not approach you offering to carry out works to your property. Any cold calling of this nature by people claiming to represent Herts County Council should be viewed with suspicion, and caution. They will not have Herts County Council authority or approval.

The work is weather dependent and from time to time unforeseen circumstances arise, any changes to the proposed start date, duration or working hours will be notified on the information boards at either end of your street and will be available at <http://www.hertsdirect.org/roadworks> or by calling **0300 123 40 47.**

General road faults like potholes or faulty streetlights can be reported at www.hertsdirect.org/highwayfaults or by calling **0300 123 4047**.
