

# Oxhey Village Treasure Trail Photo Clues

COMPILED BY THE BLAKE FAMILY

Attached are 100 photo clues of objects and interesting 'things' around Oxhey Village to spot. The photos are placed in a random order so there is no walking route to take - the aim isn't to identify all photos in one go if you go out for a walk, but to perhaps space out the 'spotting' over the weeks that we are in lockdown.

Given it is just a bit of fun, we make no apologies if any objects are removed at any point in the future, though our initial aim was to try and take as many photos of what we hope are permanent objects or structures. They are based round many roads in the village (clue – they cover both sides of Bushey station).

In the spirit of our lovely Oxhey community, please continue to be considerate regarding social distancing rules when out clue spotting. The objects are designed to be viewed or spotted from afar rather than touched, especially as some may be on houses. Therefore please respect property and do not enter any grounds of any property. We certainly didn't when taking the photos in the first place...

The answers will be available in a few weeks' time via the OVEG website.

Thanks for taking part and we hope you have fun in finding the answers!

Stay safe, well and keep smiling.

Ruth, Shaun, Evie & Martha Blake

Thank you for taking part!

There is no prize available for completing this - it's purely just for fun.

However, if you have enjoyed doing this quiz and you would like to, perhaps you might consider donating a few items of food for Watford food bank who are supporting many during this crisis? You may notice several posters and donation drop off points around the village whilst you walk round. There is no obligation to do so, of course.
